AP-300		HR202 Humidity Module	Temperature Sensor Development Board Module
AP-301		Temperature control 12V DC fan speed controller computer chassis governor High efficiency and high current 5A with stop alarm	Temperature Sensor Development Board Module
AP-302		9-in-1 multi-function expansion board DHT11 temperature and humidity LM35 temperature buzzer compatible with UNO authentic	multi-function expansion board
AP-303		DS18B20 Temperature measurement module FOR D1 mini WIFI expansion board learning board	Temperature Sensor Development Board Module
AP-304		SHT30 temperature and humidity sensor module	Temperature and Humidity Module Humidity Sensor Module
AP-305		SCT-013-000 YHDC 100A opening and closing current transformer SCT013000	Temperature and Humidity Module Humidity Sensor Module

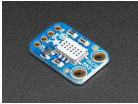

Item No.	Photo	Decription	Classification
AP-306		W1401 intelligent digital display temperature controller module	Temperature and Humidity Module Humidity Sensor Module
AP-307		MAX6675 Type K Thermocouple Module Temperature Sensor	Temperature and Humidity Module Humidity Sensor Module
AP-308		MCU keyboard button matrix keyboard	keyboard module
AP-309		ACS758LCB-050B-PFF-T Linear Hall Current Module Current Current Sensor	Sensor Module
AP-310		JDY-18 Bluetooth module 4.2 High-speed transparent transmission BLE mesh networking Master-slave integration Super CC2541	Module

Item No.	Photo	Decription	Classification
AP-311		UVM-30A UV sensor module UV detection module	Module
AP-312		Purple GY-ADS1015 Ultra Small 12-Bit Precision Analog-to-Digital Converter ADC Development Board Module	Module
AP-313		Radio R820T2+RTL2832U USB SDR ADS-B DVB-T DAB FM	Module
AP-314		PCM2704USB sound card DAC decoder module USB input coaxial fiber HIFI sound card decoder fever	Module
AP-315		PLCC32 turn DIP32 Programmer Adapter / Conversion Socket / Simple BIOS seat	Module
AP-316		Slide potentiometers Electronic building blocks Sliding adjustable resistors Dual analog potentiometer modules	Module
AP-317		High sensitivity RTL2832U+R820T2 USB DVB-T FM SDRHelloCQ radio	Module

Item No.	Photo	Decription	Classification
AP-318		CO2 VOC TVOC formaldehyde detection 5-in-1 sensor module	Module
AP-319		MiCS5524COAlcohol and VOC Gas Sensor	Module
AP-320		LC-01 51 AVR Programmer ISP USBASP Downloader	Module
AP-321		OM13054UL LPC-Link 2 Debugging Adapter LPCXpresso Platform	Module
AP-322		JTAG to SWD Cable interface board	Module
AP-323		TI usb interface adapter USB TO GPIO to i2c gpio adapter C2006evm	Module
AP-324		Omnidirectional microphone module MEMS high precision Low power I2S interface Support ESP32	microphone module
AP-325		CT14 micro 4.2 stereo Bluetooth power amplifier board	Bluetooth power amplifier board

Item No.	Photo	Decription	Classification
AP-326		Micro SR602 Small Human Body Infrared Sensor Module	Sensor Module
AP-327		OE-BT03 Bluetooth power amplifier board Digital module	Bluetooth power amplifier board
AP-328		Turbidity sensor water turbidity module	Module
AP-329		HIFI Bluetooth JDY-64	Bluetooth Module
AP-330		Bluetooth 4.0CC2540	Bluetooth module
AP-331		ESP32 serial to ESP32-A1S	Wifi Module
AP-332		3.3 v 4 channels relay module high and low level trigger double optocoupler relay isolation module	Relay Module
AP-333		5 v 4 channels relay module high and low level trigger double optocoupler relay isolation module	Relay Module
AP-334		12 v 4 channels relay module high and low level trigger double optocoupler relay isolation module	Relay Module
AP-335		24 v 4 channels relay module high and low level trigger double optocoupler relay isolation module	Relay Module
AP-336		12V controller	infrared Module

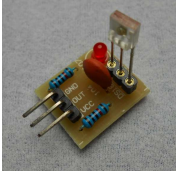

Item No.	Photo	Decription	Classification
AP-337		Household plug-in multi-function universal conversion 10A turn 16A GB to British standard European standard South Africa standard	Household plug-in multi-function
AP-338		Microwave sensor switch ceiling installation Microwave sensor radar body sensor switch 220V	Sensor Module
AP-339		Electric car usb mobile phone charger 48V60V72V battery car 2.4A voltage display car charger connector	Module
AP-340		AD9850 DDS Signal Generator Module	Signal Generator Module
AP-341		M602 battery lithium battery charge control module battery overshoot full power off control switch	Battery Charge and Discharge Module
AP-342		M609 DC voltage protection module Lithium battery under voltage loss, low power, disconnect output 6-60V	DC voltage protection Module
AP-343		M608 Battery Charge and Discharge Module Integrated Voltmeter Undervoltage Overvoltage Protection Timing Charge and Discharge	Battery Charge and Discharge Module
AP-344		M603 Battery Lithium Battery Charge Control Module Battery Charge Control Protection Switch 12-24V	Battery Charge and DischargeModule

Item No.	Photo	Decription	Classification
AP-345		M604 Battery Lithium Battery Charge Control Module Battery Charge Control Protection Switch 6-60V	Battery Charge Control Module
AP-346		Battery charge and discharge module Integrated voltmeter undervoltage and overvoltage protection Timing charge and discharge with communication function	Battery charge and discharge module
AP-347		Water level liquid level switch sensor	Automatic water level liquid level controller
AP-348		Automatic water level liquid level controller Pool water tower water well water tank protection power supply	Automatic water level liquid level controller

Item No.	Photo	Decription	Classification
AP-349		Water level liquid level switch sensing controller Water tank tower pool automatic pumping water drainage	Automatic water level liquid level controller
AP-350		Laser sensor module Laser tube receiving module (non-modulating tube) has laser output high level	Laser sensor module
AP-351		Battery charge control module with indicator-1	Battery charge control module
AP-352		With a housing 5A constant voltage constant current step-down module with voltage and current power display LED drive lithium battery charging	LED drive lithium battery charging
AP-353		15KV arc ignition high voltage package electronic pulse lighter cigarette lighter accessories booster coil transformer	booster coil transformer
AP-354		CC2531 module Sniffer USB dongle protocol analyzer to serial port Sniffer packet	CC2531 module

Item No.	Photo	Decription	Classification
AP-355		Single-section double MSO 3.7V plate guard plate with iron plate spot welding for 18650 polymer lithium battery pack	Module
AP-356		M602 CNC battery lithium battery charging control module	Protection board
AP-357		MAX3485 module TTL to RS485U serial port	TTL to RS485U
AP-358		M632 battery lithium battery charging control module charging protection switch 12-24vXH-M603	Power Supply
AP-359		BMP180 BOSCH temperature and pressure sensor module	temperature and pressure sensor module
AP-360		Single Phase AC Active Output Voltage Transformer Module	Voltage Sensor Module

Item No.	Photo	Decription	Classification
AP-361		WCS1700 Hall Current Sensor Adjustable 70A Overcurrent Protection Module	Overcurrent Protection Module
AP-362		A25 WCS1800 Hall Current Sensor Detects 35A Overcurrent Protection Module	Overcurrent Protection Module
AP-363		PWM converted to 0-10V voltage (N4B3) blue board	PWM to voltage module
AP-364		ESP32CAM OV2640 camera module	Camera module
